-Hello Jaclyn,

My Name is Khrisma Carter, I am part of Leadership Redmond (as well as a local Girl Scout Troop Leader) and I had mentioned to Linda when she came to speak with our class last week that I would like to get my Girl Scout Troop involved with the electrical box painting project.

My Troop is Currently in the process of working on our Bronze Award and in doing so we have to complete a Take Action project. We would very much like to participate in this Art in Public Places Project and interested in creating something similar to the image attached

I found an article relating [Link to article about piece.](#) and would like to have the girls do something similar with Words of Encouragement and empowerment. I would love to find out more information on how we could be considered for this.

Thank you,

Khrisma Carter  
Troop Leader 10772  
Leadership Redmond Class 2019 Redmond Chamber Ambassador.
