

Moisture Content Acknowledgement Form

City of Redmond
411 SW 9th Street
Redmond, OR 97756

I, _____, am the general contractor or the owner/builder
at the following address:

Street Address: _____

City: _____

Permit number: _____

Subdivision/Lot (if applicable): _____

To conform to Oregon Residential Specialty Code (ORSC) Section R318.2, I am notifying the building official that I am aware of the moisture content requirement of ORSC Section R318.2 and have taken steps to meet this code requirement.
[Section 318.2 is provided for reference]

R318.2 Moisture content. Prior to issuance of the insulation/vapor barrier approval required by R109.1.5.2 of this code:

- (A) All moisture-sensitive wood framing members used in construction shall have a moisture content of not more than 19 percent of the dry weight of dry wood framing members.
- (B) The general contractor or the owner who was issued the structural permit shall notify the building official on a division-approved form that the contractor or owner who was issued the structural permit is aware of and has taken steps to meet the requirement in paragraph (A).
