A guide to customer parking in downtown Redmond.

All customer parking is free and includes both on-street and off-street facilities. On-street parking is allowed on every street. The map, below, identifies off-street parking lots.

- Downtown Redmond has three parking zones (see map, left). Within these zones, there are over 1000 *on-street* parking spaces and 443 *off-street* spaces that are located in both public and private lots.

- In Zone 1, the core area of downtown, there are 307 on-street spaces and 260 spaces in parking lots.

- The time limit for on-street parking in Zone 1 is two hours.

- The time limit for off-street parking in Zone 1 is four hours.

- In Zones 2&3, please observe the posted time limits for both on- and off-street parking.

- Throughout all parking zones, please observe signage indicating Handicapped Parking, Loading Zones and Snow Removal Zones.
