Note:

- 1. All forms shall be inspected prior to pour, please call for inspection. ****
2. All materials and construction shall conform to current City of Redmond Standards and Specifications.
3. A sketch or site plan to scale will be required from the owner or contractor, showing location of work, prior to start of construction.
4. Curb shall be poured separate from the sidewalk and/or driveway approach.
NO MONOLITHIC POURS ALLOWED.

Permits become null and void if work/construction authorized has not commenced within 180 days or if work/construction is suspended or abandoned for a period of 180 days at any time after work is commenced. Progress inspection required at end of 180 days if not ready for required inspection. Permits are non-refundable and non-transferable. It is the responsibility of the permit holder to see that required inspections are requested in a timely manner. Please give 24 hours' notice for inspection.

If you have questions regarding the Sidewalk, Driveway or Repair permits please feel free to contact the Engineering Department at (541) 504-2002.

TO REQUEST AN INSPECTION

**To request an inspection, please call (541) 923-7715 or visit the ePermitting website at [E-Permitting website](#). You will need your 12 digit IVR number from this permit and the appropriate [inspection code](#).
